This year's homecoming activities were different from any other year. For the first time ever, the Baron freshmen came in first after adding all the points together from the week's activities. Another change from the past years' activites: the junior powderpuff team defeated the senior team by a winning touchdown. Many participated in defining their Baron pride by making floats, dressing in various spirit wear, and painting faces and bodies to show support for our homecoming game. This was a great week at DeKalb High School. Even though our pride shows every day, this week made it clear that we were "proud to be a Baron".

"It was an honor to be in the Beauty and Beast and to have two shows sold out for the first time in the history of my senior year. I'll never forget the last thing Shelly told us Sunday, Don't be sad it's done, but be glad it happened."

Megan Derbyshire

"Beauty and the Beast was the best musical I have ever been involved in at Dekalb. We sold out two shows, which has never happened. It was truly an amazing experience I could never forget."

Nick Horstman

"As you see, I've got biceps to spare."

[DESTROY CONSTRUCTION]

Luke Feller

"I feel that the school being under construction made me thankful for the fact that I do not have asthma because if I did I probably would have died with all the dirt and dust in the school."

Kara Barnes

"With all the noise of construction in the school, I was not able to do my work very well."

Lauren Crowl

"As a freshman entering high school, it was nerve racking enough without dealing with contruction on top of that. Usually it's just the freshmen and the new kids who are the ones that don't know where they are going the first day of school. Yet in this case, the upper classmen didn't have a clue either. After a few weeks, I got use to everything.

By the end of first semester, the classes were moved again. It was hectid. As the year passed the dust faded away little by little, although the noise continued. All in all with what the students and staff have been through, our school looks wonderful."

Shelby Timbrook

"Coming back to school with construction still in process wasn't that big of a problem. There was, and still is, loud noises from the construction that disrupts classes, but usually everyone ignores them and goes back to what they're working on. Sometimes the school's hallways were dusty and cloudy due to the construction, but it wasn't bad enough to cause any major problems.

The construction may have caused some small problems for some people, but it was needed in order to make room for incoming students and teachers without classrooms."

Patrick Bassett

"The worst part to me was that there was no air conditioning. It was loud, and I didn't have a real science room. We weren't able to have science labs, so it wasn't as much fun as it could have been."

Johnathon Catterall

"The intent to modernize the school was thoughtful; however, the construction project created a difficult learning environment. Also, the completion date keeps getting pushed back. All in all the money spent seems to be a waste when you look at the quality of work."

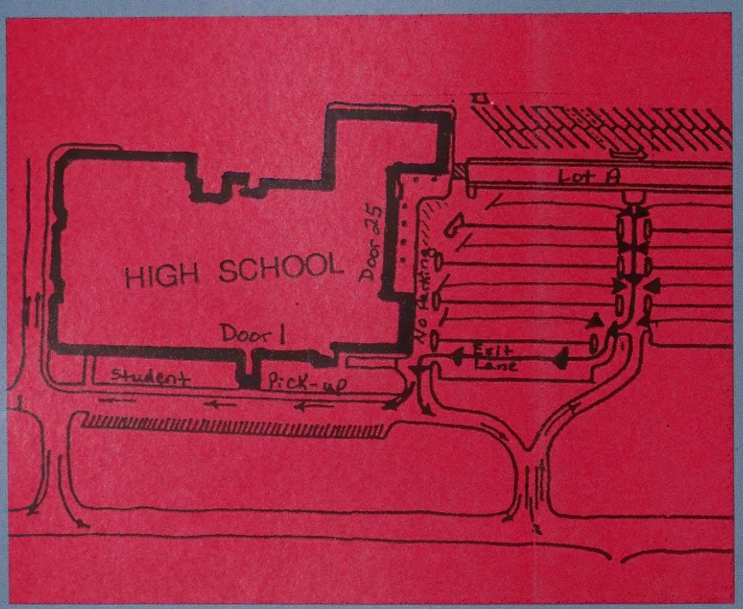
New driving path in the A parking lot

Starting on November fifth, the students started to leave A parking lot in a different manner, and office officials set up barriers and watched from the sidewalk to ensure that the students abided by the new route. Once the students understood the routine, Officer Slone did not put the barriers up again. The administration started this new path because they wanted to keep the students safe while exiting the school.

The map below shows how the new exiting route works. Students parked on the high school side of Lot A will head north to the center of the lot while students parked on the middle school half will head south to the center of lot A. All drivers will merge into one line, which will exit out the lane closest to 427 only, to exit into 427.



As soon as the students buckle up, they file into a straight line while heading home after school has been dismissed.

"I like the new path that we take for leaving school. It seems to be a lot more efficient, but then again I only just started parking in lot A towards the end of first semester this year. Aha."

Melissa Hargarten

"I think the new parking lot procedure helps a lot. At first no one thought it would work. But now that everyone is used to it everybody gets out a lot faster."

Autumn Long

"At first a lot of people did not think it would be a good idea, but after the first week the change sped up traffic heading out of the school."

Chase Likes

"I'm not going to lie, I didn't like the idea at first but it grew on me and now I stand a better chance of not hitting anyone coming out of the school."

Nathan Haley

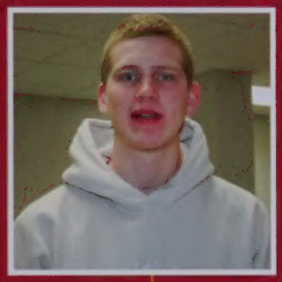
"It did not seem like a good idea at first, but eventually I think everyone has gotten used to it and the process goes much faster than it did, and it is also much safer."

Adam Middleton

"At first I didn't think the new way to get out of the parking lot was a good idea but after about a week it seemed like everyone got used to it and got out of the parking lot quicker than they did the old way."

Joseph Gingher

"I think that it is stupid because the school said that drivers would get out fast but I have heard from people that is takes them 5-10 minutes longer to get out of the school parking lot."



Nick Graves

"It really doesn't matter to me either way due to the fact (that) I stay in the choir room till the parking lot is empty."

Cassondra Schowe

"I prefer the new way because it's a lot easier to get out of the parking lot and people walking from the high school to the buses/cars are safer."

Ashley Christlieb

"Although I have never had the chance to use the new exit system due to after school activities, I have heard many good things about it. It seems to have sped up the way students leave school along with making it safer. Overall, I feel it was a good choice by the school as our parking lot is, at times, very difficult to get out of."

Bryan Beerman

Students drive away from school while abiding by the new exit route from parking lot A which even helped more students beat the busses.

hot tanning beds

Should *YOU* listen to advertisers or the medical profession?

We continuously ask the question, "Are tanning beds bad for us?" In reality, there really is no right answer to this question. Federations like the FDA and the FTC oversee the actions of tanning salons and they CAN take action if there is a potential real danger. They do tell us, however, to be aware of false advertising such as, "Tan indoors with absolutely no harmful side effects" because just like tanning outside, tanning indoors ruins your skin. Some medical professionals, for instance, The American Academy of Dermatology, supports legislation that bans minors from using tanning devices. Ultimately, YOU have to decide the answer to the question... "Are tanning beds bad for you?"

Kyle Hall

"I guess I go tanning so when the summer comes I don't get burnt as bad."

Beau Timberlin & Stacie Mercer

"People at DeKalb High School tan too much. Tanning damages your skin & makes it look blotchy. We think guys especially don't need to tan as much."

How often do *YOU* go tanning?

26% have never been tanning

45% only tan for special occasions

15% tan all the time (almost year round)

14% have tried it, but its not their favorite

fact or fiction?

Moderate sun tanning can actually *reduce* the risk of skin cancer and other related diseases like osteoporosis.

Indoor tanning is **more** harmful than tanning outdoors because the UV light exposure is more intense.

The Food and Drug Administration **(FDA)** regulates *all* Indoor tanning facilties.

Moderate Tanning while ***pregnant*** is considered to be ok after your first trimester.

Showering directly after tanning will "*wash* " your tan away. It's best to wait about 3 hours after tanning to shower.

Depicting the Vocationals Continued...

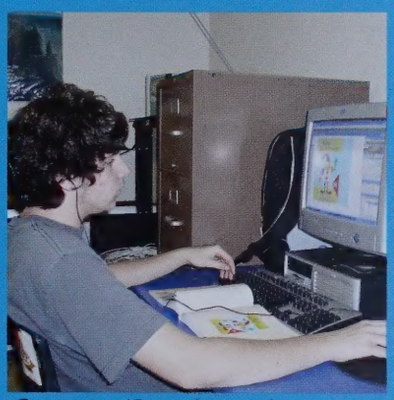
Graphic Arts

Robert Zoller, Tracie Kimmel, Taylor Oberlin, Andrea Robbins, Brittany Everage, Andrea McCann, Michal Ley, and Chelcea Cain

With Graphic Arts, students learn all the phases needed to produce printed materials and become familiar with the machines used in the process. The products made in this course can be used in the school system or for personal uses which makes this a practical course.

Brittany Everage works on one of her projects with one of the printin machines hoping everything comes out correctly.

Graphic Design



Spencer Freed creates images for a project he has been working on.

In Graphic Design, students learn how to create layouts and illustrations for advertising, display, and manuals through a learning environment consisting of theory, laboratory, and shop work. Tasks will include elements such as preparation of copy, lettering, poster design, inks and colors dynamics, fonts, graphics, and page composition.

Nathan Topp, Robbie Kohl, Rochelle Bishop, Rachelle Gilbert, and Spencer Freed

CAD

Joshua Allen

This course prepares students for the drafting industry by covering subjects like CAD Drafting, Architectural Drafting, and Industrial Mechanical Drafting. Students use 3D modeling technology and other various of CAD programs and can receive Indiana Essential Skills and Technical Proficiencies Certification.

Culinary Arts

Marcus Davis, Kayla Feller, Bridgette Stackhouse, and Joseph Francis

This program helps prepare students to pursue further education or career of food operation, preparation, and professional chef, and the curriculum consists of nutrition, sanitation, safety, and other various activities needed to know for the food industry. From this vocational, students have the chance to become American Culinary Federation certified.

Direct Health Care

Harmony Neal, Laurie Shipe, Amber Giese, Sharon Heitz, Mercedes Garay, Jared Martin, Kassie Reinoehl, Autumn Long, and Eric Barr

Students interested in the health care industry benefit from this course because it has a student perform clinical work at a long term care facility for at least thirty hours, care of the elderly and debilitated, and teaches first aid training. After completion, students receive their Certified Nursing Assistants Certification.

Eric Barr, Kassie Reinoehl, Laurie Shipe, and Autumn Long check to see if the weight machine works as they play around finding out Harmony Neal's weight.

ICE

Aehlee Carthen, Tifani Smith, Cody LaRowe, Daniel Crowe, Dillon Carpenter, Juan Cortez, Kyleigh Emerick, Amber Smith, Tabatha Anderson, Melanie Knudson, Emilie Snow, Matt Miller, and Randy Pfost

This course allows students to work at places that fall in line with their career choice by having them gain on-the-job experience at community businesses and organizations with working fifteen hours per week and earning minimum wage at the very least. The students take a one period class each day where they will learn other needed skills to survive in the working world.

Kendra Vose, Jill Steury, Kelsey Hart, Jaimie Kessler, Seth Koenig, Christina Meyer, Jessica Hicov, and Mr. Blackburn

Jamie Kessler spends her work time at the nursing home helping out the elderly.

Office Supervision

Kara Barnes, Joseph Gingher, and Brye Springer

Students learn how to plan, organize, direct, and control an office surrounding with an emphasis on technology. When this course is completed, students can receive Microsoft Office User Specialist Certification and Indiana Certificates of Technical Achievement.

Cosmetology

Kosima Maggert, Brandie Altimus, and Courtney Perrine

Students receive training in areas like hair cutting, coloring, perming, facials, facial makeup, personal grooming, and more. This course follows a state-mandated curriculum that has the goal of helping students pass the State Board exam and receiving their cosmetology license.

When Taking Pictures...

"Don't worry about the pictures you miss; instead, focus on the moments that you captured."

- Sam Topp

"...get up close and personal."

- Abby LaRowe

"...don't be afraid of balls coming at you during a game."

- Nicole Ober

"...it turns outso much better when the lighting is right."

- Cassie Lusch

"...what you see isn't always what you get."

- Katie Fike

At the beginning of the year, the Saber Staff decided on the theme Detour due to the changes at the school. We were under construction which made classes move around, and students also had to adjust to new faculty members.

The Saber Staff planned pages, took pictures of events and people, and wrote captions for the pictures so that each aspect of high school received proper coverage.

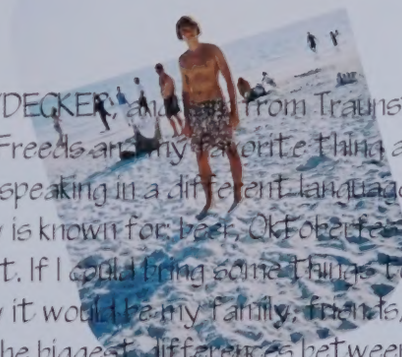
In order to make the yearbook affordable to the students and meet costs, the Staff sold ads over the summer to local businesses. We were able to cut the cost of the yearbook from $80 to $40.

We would like to thank Mrs. Rohm, the advisor, for all of her help this year. During the first quarter, we worked on the yearbook ourselves with Mrs. Rohm sending notes from home. When she came back, we were excited!

Our Debut foreign exchange to America

Hey, my name is KATRINE JENSEN, and I am from Allerod, Denmark. I am currently living with my host mom, Tamara Brown. My favorite part about staying in the United States is meeting new people and learning about a new culture. An interesting fact about my country is that according to some world wide statistics, Denmark is the happiest country in the world. If I could bring one thing from my country it would be public transportation. The biggest challenge I have had to overcome by staying in the United States is being away from my family and friends.

Hi! My name is THERESA BERNES, and I am from Volkmarsen, Germany. I am currently living with the Iddins, my host family. My favorite part about staying in the United States is that I have new friends and a nice family. I am also enjoying the opportunity to learn more about cultural differences. A few things my country is known for: Oktoberfest, soccer, sauerkraut, and sausage. I believe the biggest difference between my country and the United States is that we have very old buildings, like castles, and the school systems are very different. The biggest change that I have had to overcome is going to school 8 hours a day, where as in Germany I only go 5-6 hours a day.



Hello! My name is CHRISTIAN HEYDECKER, and I am from Traunstein, Germany. My host family is The Freeds and my favorite thing about staying in the United States is speaking in a different language all the time. Some things Germany is known for: beer, Oktoberfest, auto bahn, soccer, and sauerkraut. If I could bring some things to the United States from my country it would be my family, friends, and chocolate. I believe that one of the biggest differences between my country and the United States is the drinking age, which is 16, and the school systems.

Guten Tag! My name is INES SPANGENBERG and I am from Hamburg, Germany. My favorite part about staying in the United States is getting to know new people and making friends. I also have an amazing host-mom, Tamara Brown. My country is known for beer and German cars. An interesting fact about my country is that we cannot drive until we are 18! If I could bring one thing from my country to the United States it would be the auto-bahn. In my opinion the biggest difference between my country and the United States is the school and health care systems. The biggest challenge I have had to overcome by staying in the United States is understanding the American-sense-of-humor.

Lexie Buchs makes a poster for the Snowcoming dance with the other members.

1,000,000 Pop Tabs For Riley

The Student Council members get together to organize different events throughout the school year. The members put together dances and find enough chaperones for the events, coordinate convocations, and think of different fund-raisers such as pop tabs for Riley's Children Hospital. They also ran a can food drive in December for shelters. Once a year, the members participate in a Student Council Exchange which allows our Student Council to observe the actions of Student Councils from other schools while other Student Councils come here to see what our Student Council does.

>> The competition team, by far, had one of their best seasons ever. They started their season at the St. Joe fair where they placed 3rd. The Northeast Hoosier Conference proved to be their best. They placed 3rd, behind Norwell and Homestead. This was the highest they have ever placed in the NHC, beating out tough teams such as New Haven and Columbia City. Coach Amber also earned Coach of the Year honors. They placed 10th at the Wawasee competition. At Homestead, both the team and individual stunt group competed. The team placed 2nd while the stunt group took 4th. Finishing up their regular season, was the Huntington competition where the team placed 2nd and the stunt group placed 3rd. They also participated in the Regional Competition. These girls were very proud of their success this season, and can't wait to carry it over to next year!

"This may seem like the end, but it is far from over."

-Matt Miller

"Some of the best guys I have ever hung out with were a part of this Baron wrestling team."

-Lyndon Coleman

"Wrestling is the toughest sport I have played."

-Brandon Thews

"The team had a good year. I hoped to accomplish more than I did, but I had a good time."

-Logan Leichty

"This season Coach Hunter worked us and pushed us to do our best. It was very successful for the team, and I also had success as an individual."

-Cord Ungerer

"Our record does not show our strength. The NHC is the best conference in the state, and we battle with each team every time. We improve every year, and I am excited to see us climb the ranks of our conference."

-Jeff Staten

"I've enjoyed my 4 years of wrestling at DeKalb. It's helped make me a better person."

I had a blast this year and I really enjoyed being a part of the team. I will really miss it next year, but I know the team will continue to be great. I love you guys!"

-Emily Ferrell

"In gymnastics, we learn more than just how to do flips and dangerous tricks. We work as a team, encourage each other, critique each other, and most importantly,get to know each other and have fun!"

-Emma Weiler

"Beating Plymoth was one of the best wins of the season."

-Drew Morrow-
"My favorite game of the year was the Northridge game at the end of the year. Everyone played really well & the crowd "really" got into it."

-Landon Scott-
"One of the most memorable moments of the basketball season was in practice when Nate tried to throw an alley-oop to me that was so high, I don't think Lebron could have gotten it."

-Mitch Beerbower-
"My favorite part of the season was all the close games we played and my dunk against Carroll."

-Nate Morrow-
"My highlight of the season was earning Newschannel 15's "play of the week" for a circus shot against Homestead."

-Stephan Kelly-
"My favorite part of the season was beating Northridge on Senior night because it was our best games of the year, and the fans were intense."

LOOK WHO'S TALKING

"It is impossible to know of your success until you look deeper into our team. It was more than just wins and losses; it was about team unity and team improvement. It was a great season despite our 5-16 record; we accomplished far more than what our record states. Good luck in the future!

Amber Northrup

"This year's basketball season was by far the best season ever! I not only made friends, but gained a family. I'm sad it had to come to an end, and I will miss all the girls, as well as the great coaching staff."

Rachelle Gilbert

"My favorite part of the season was all the times I spent with the girls-team dinners, bus rides, caroling, all the time we had together made us a family, and I will never forget any of them. Plus watching Coach David jumping around and screaming like crazy after a win was entertaining, too."

Last year the girls track team took Sectionals even with a young team, and with returning girl athletes and new talent in the girls starting out, the girls again conquered the East Noble Sectionals this year. Many of the girls made it out to compete at the Northrup Regionals against strong competition. Daniel Haynes won the pole valut with a hieght of 11'1" which broke a school record and qualified to go to State. Autumn Beachy also qualified to go to State in the 3200 meter run with the time of 11:53.12.

Distance runner Chelsea Miller and sprinter Emma McKown decide to shake things up in the 4x100 meter relay while veteran relay runn Cheyenne Jensen rushes to make up the stagger on the "newbees."

First Row: Rebecca Esterline, Katie Owen, Katy Murfield, Chelsea Miller, Taylor Buckles, Caela Maynard, Jana Schlosser, Holly Myers, Mackenzie Garrett, Alana Christian, Cherie Couchman
Second Row: Ariel Christian, Amanda Burggrave, Raina Farmer, Paige Whittig, Brooke Wyant, Nicole Ober, Emma McKown, Erin Ingold, Autumn Beachy, Nicole Miller

2. Amanda Burggrave, Mel Knudson, and Alyssa VanWye hurdle for victory over Angola.
3. Danni Haynes makes her mark in the sand while landing in the long jump.
4. Brooke Wyant sends the discus flying like a UFO into outer space to take a place at a track meet.
5. Rachelle Gilbert plants the pole to fling herself over the bar so she scored points for her teammates.
6. Emma Weiler pushes off the ground to defy gravity and floats over the bar for a top spot in a varsity event.

Kyleigh Emerick shows off her "two-step" as Cheyenne Jensen pours on the energizer bunny power to complete the 400 meter dash.

DEAREST {&/or} Sports, Teams, and Players DESPISED

Hannah Hefty

My favorite team is the Colts because they rock!
My favorite player is Tom Brady because he is *gorgeous*, and looks good in tight pants!
My least favorite team is the Patriots because they are cocky.
My least favorite player is Tom Brady because he never called me back. (lol)

Chuck Zimmerman

My favorite team is the Pittsburgh Steelers because they are a respectable franchise. They have a great history behind them and are led by the Rookies and great coaches like Chuck Noll.
My favorite player is Hines Ward because he is a nice third down threat. He is extremely physical with the defence. Some say that he is a running back that plays receiver.
My Least favorite team is the Phoenix Suns because with one of the best line ups in the NBA they STILL cant give impressive wins. I blame coaching.

Cassie Hull

My favorite team is the Kansas City Chiefs because I am from Kansas and I support my state.
My favorite player is Megan Mahoney because she played for the KSU girls basketball team when I was in the 8th grade. I went to see them play and she was awesome!

Jonathan Kummer

My favorite sport is football.
My favorite teams are Bears-NFL Boilers-College because they are simply the only teams people should like.
My least favorite team is the Colts because the bandwagon Manning fans have no tradition of loving football.

Amanda Thompson

My least favorite sport is soccer because it bores me to watch the games.
My favorite sport is baseball.
My favorite baseball team is the Cubs because I think they are really cool!

Jami Paulus

My favorite sport is football.
My favorite team is the Carolina Panthers because they are amazing. Fox is an awesome coach.
My favorite player is Steve Smith because he is the world's greatest wide receiver.
My least favorite team is the Patriots because they beat the panthers in the superbowl.

Jeff Staten

My favorite sport is basketball.
My favorite team is the New Orelands Hornets because well, I still have hope.
My favorite player is Gary Peyton because he is a master at the three point shot.
My least favorite sport is Racquetball.
My least favorite team is the Chicago Bears because too many people like them.
My least favorite player is Devon Heister because he doesn't do anything except run.

Abby LaRowe

My favorite sport is football.
My favorite team is the Falcons because Michael Vick was awesome and everyone on the team tries really hard.
All of the players are my favorite because even though they are not very good anymore they still try hard, and put their hearts into it.
My least favorite player is Tom Brady because he is super cocky.

Jeff O'Rear

My favorite sport is football.
My favorite team is the Indianapolis colts.
My favorite player is Peyton Manning because he is a good leader and a great quarterback.
My least sport is baseball.
My least favorite team is the Cubs because everybody seems to like them.
My least favorite player is Barry Bond because he uses steroids.

Cherie Couchman

My favorite sport is boxing.
My favorite team is the Colts because they are rad.
My favorite player is 27 because he is gorgeous.
My least favorite sport is softball.
My least favorite team is DeKalb Softball because well, I don't like softball.

Joshua Banks

My favorite sport is football.
My favorite team is the Greenbay Packers because I grew up with them. My family liked them; therefore, I grew to like them.
My favorite player is Donald Driver because in my opinion, he is one of the best offensive players in the league.
My least favorite sport is Baseball.
My least favorite team is the Yankees because they are overrated.

CHASE RAY SIZEMORE
(My Baby Boy)

Congratulations!!!

You are a loving, caring son
and I am so very, very proud of you.
Your future is bright with endless
Possibilities. Try to always do the right thing,
Even when it's not the easy thing.
Be kind, honest & happy,
Make others happy along the way.
Love God, love people and love life.
I love you with all of my heart and all of my soul.
Being your Mom, has made me a better person.
Good Luck at Purdue!!!
All my Love,
Mommy

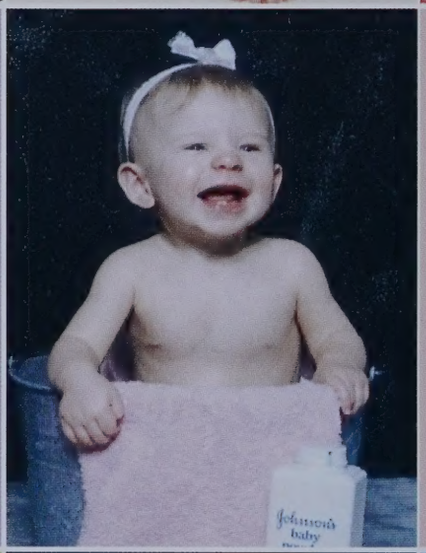
Alison McDaniel

From a beautiful baby to a mature young lady, you have accomplished so much. You are such a blessing to our family. We are so proud of you!

Love,
Dad, Mom, Denver,
and Jordan

Holly,
We are so proud of all that you've accomplished. You have a great future ahead of you, so good luck with whatever you decide to do with your life!

Mom & Dad



Brittany,
You did it! We are so proud of you and all that you have accomplished! We have enjoyed watching you grow into a fun, caring, and loving person. Follow your heart and reach for the stars in everything you do.
We love you,
Dad, Mom, Scott, and Zachary

Congratulations
Caleb

We are proud of
you!

Love
Mom, Dad, Ashley,
and Brock

Congratulations!

Always keep a smile on your face and laughter in your heart. You have achieved so much and grown into a beautiful young woman. Continue to pursue your many goals and dreams. We are so very proud of you.

Love,
Mom, Dad, and Ben

Shannon O'Rear

<u>You made it!</u>
We are so proud of the wonderful young woman you've become.

Love,
Mom and Dad

Our Dearest Taylor,
You are such a joy, our beloved gift from God.

With Love Eternal,
D-D and QM.

Jonnie Sue Barth

We are so proud of you!
You are a very precious part of our life.
Take your dreams and run with them.
Always believe in yourself.
Love Grandma & Grandpa

Kory Hall

Congratulations
We are so proud of you!

Love, Mom and Dad

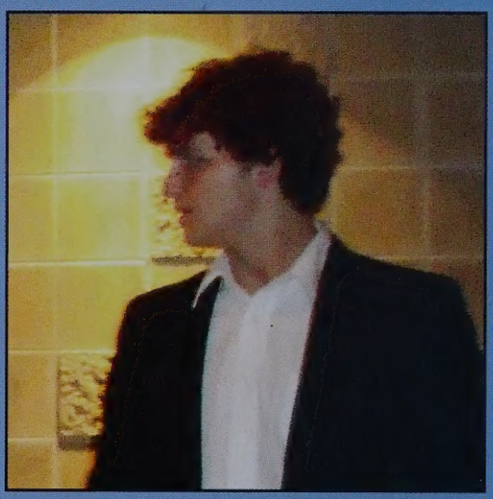
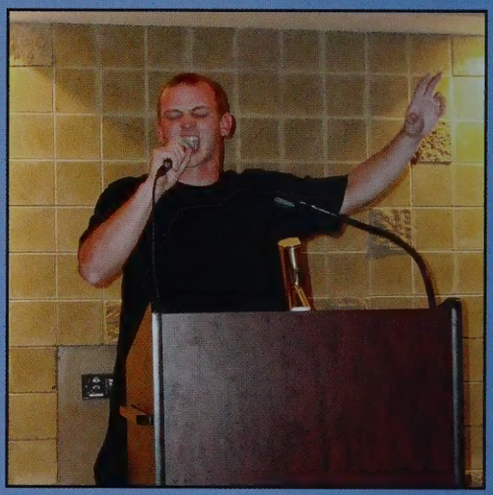
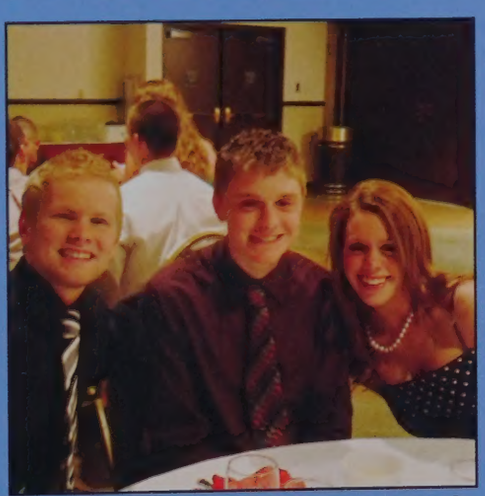
Senior Dinner Dance





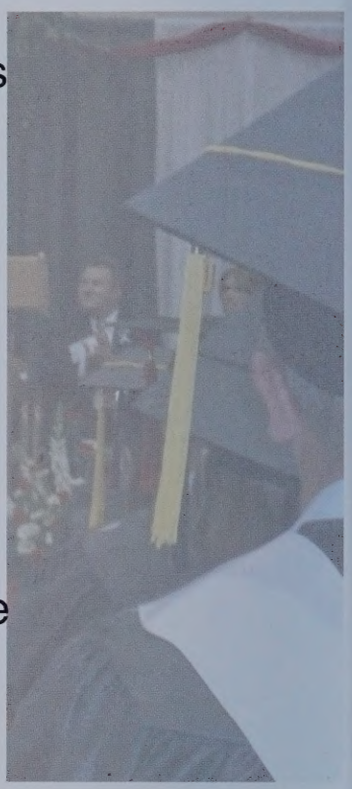
The seniors enjoyed a night of food, friends, and entertainment at this years Senior Dinner Dance. Nathan Morrow opened by announcing the night's events Taylor Beaty gave the invocation before the meal. Caylen McPherson and cedes Garay started the evening's entertainment off with a lovely rendition of Want to Hold Your Hand." Then, Ryan Schlosser, Caleb Likens, and Corbin Smith filled the museum with laughter while acting out a political debate skit



between President George W. Bush and Governor Arnold Schwartzenagger. Closing off the night's talents was Corbin Smith, who performed a spirited hard rock song. The seniors enjoyed hearing the winners of the Senior Polls and giggled as Chuck Zimmerman awarded them gag gifts to accompany their titles. Before everyone started dancing, Jack Conrad and Jon Nagel awarded door prizes to unexpectant recipients. What a fun night!!!

Declaration of Graduation

Sunday, June 8, 2008, the day seniors have ingrained in their mind has finally arrived. At 2:00 P.M. 322 seniors proceed into the gymnasium while accompanied by the band's "Pomp and Circumstance". Fellow students **Kayla Shoemaker** and **Dylan Smith** lead the group with the singing of the National Anthem. We are greeted by Valedictorian **Erica Jansen** (12.38 GPA) who encourages students to take a chance and welcome change within their lives. **Andrew Morrow's** intention challenges students to: think, be creative, collaborate, not be afraid to make mistakes, and persevere. Salutatorian honors were presented to **Zak Eckert** who received an 11.8 GPA on a 12 point scale. **Taylor Beaty** recapped the moments: we've laughed and cried, and sent the graduating class on a lifelong quest to fulfill their dreams. The time is finally here seniors, time to reflect on the past, but most importantly to reach for your future. Congratulations graduating class of 2008, now it's your time!



"Let us celebrate our accomplishments, ***remember*** our past, and prepare for our future."
Erica Jansen

"***We*** can be the Edisons of our generation."
Andrew Morrow

"We ***all*** need to share our successes and sometimes failures with someone else."
Principal, David Schnelker

"...& now its ***our*** time to fly. Congrats and farewell!"
***Taylor Beaty**

2008 Class Motto

Life is not measured by the breaths we take, but by the moments that take our breath away.

Reach higher.
Push harder.
Go farther.

WE SWEAT

THE SMALL STUFF

Not only in our products, but also how we make them and how we get them to our customers.

- We produce a wide range of high-quality standard nuts, bolts, hex capscrews and flange bolts.
- We manage secondary processing, including special platings, patches and adhesives.
- We have a variety of head styles, dimensions and finishes, so we can produce custom fasteners.
- A2La Registered, TS 16949, QS 9001-2003.
- And we deliver the right product on time.

We know every detail makes your supply chain stronger.

DEtour 2008

The yearbook staff and Mrs. Rohm would like to thank Mark Childs and Charlsie Wiseman of Josten's for helping make this book possible. We would also like to thank Mark Murdock, Lifetouch, and countless students and staff who contributed photos to complete the Saber 2008 book. We hope that everyone will enjoy this year's Saber because a great deal of time, effort, and creativity went into the making of it.

This is a student publication, and we have worked hard to ensure that the book is as error free as possible. If you appeared in a picture that was not properly indexed, we apologize.
